16:26:01 From Dave - Crescent City:
Hello to all

16:32:41 From Billy Dillard Houma, Louisiana:
Hello

16:33:07 From Dane Chandler -Tucson AZ:
1st casting demo scheduled for next week

16:34:19 From Dan Rozell:
Hi everyone! Last week was my first meeting here,
only a week after getting my first lathe. After the call,
I was very inspired and have been 'practicing' and made
a few beginner pieces. Unfortunately, with my weak internet,
I cannot share video or audio on Zoom so here are a few pics.

16:35:41 From Bob Moffett - N.C.:
I have a couple of pieces

16:36:09 From Dan Douthart:
I have some turned items

16:36:52 From Dane Chandler -Tucson AZ:
I have you guys

16:36:56 From Doug Miller:
I have a couple

16:37:00 From Doug Miller:
of pieces

16:37:27 From Doug Miller:
I have a couple

16:38:19 From Doug Miller:
that I'd like to share one at a time.

16:43:19 From Joe Lesko:
I did also from Colorado

16:44:38 From Joe Lesko:
we turned 130+ wigstands for our folks in Clor

16:46:43 From Ken Spicer Ashland Virginia:
+Just finished a Apple turning from an old tree stump
and found "sawdust" on the base the next morning. Anyone
have suggestions for eliminating insects from old rotten wood.

16:46:50 From Kim Tippin:
@Dane I have a bowl to show and tell :)

16:51:30 From Jack, Victoria, Texas:
I have something to show.

16:52:59 From Jon Kolstad, Washington:
I have a tool to show

17:03:03 From Brenda Michael:
can you put that info in the chat here, Eddie?

17:07:39 From Doug in Arizona:
I have an oops to show and then I have a tip to
show. call me out when your ready

17:12:57 From Jason Collett:
I had a opps to his week to it's up on
the cafe book page

17:13:08 From Jason Collett:
face

17:21:49 From Pohl Barn:
I had an oops too and I still can't walk , LOL

17:22:32 From Doug Miller in NKY:
hello Doug Pohl Barn

17:23:44 From Steve Maikell :
Hook tool my Mike Hosaluk
<https://youtu.be/plufdrsPgWk>

17:23:57 From Dan Rozell:
Pohl Barn is an awesome YouTube site !

17:26:45 From Stephen Ogle:
Made the hook tool from a 10 inch sears
craftsman tablesaw blade. It is made from
Crome nickel steel

17:27:08 From Doug Miller in NKY:
Dane I have another one.

17:27:27 From Dane Chandler -Tucson AZ:
ok

17:34:51 From Dave - Crescent City:
Nice idea for the ornament

17:35:52 From Gordon Kincheloe:
What did Doug do with the top of the ball ornament?

17:36:03 From Dave Leader:
Call it a Holiday ornament

17:36:30 From Rick Gauthier:
Excellent Idea!

17:38:26 From brenda thornton:

how about we donate them to a hospital or nursing home....I just don't think the troops would have a place to hang them and maybe just get broke.

17:39:15 From Doug in Arizona:
Doug Rowe 4125 N Kearny Drive
Prescott Valley Arizona 86314

17:39:46 From Dane Chandler -Tucson AZ:
honestly, we hang them wherever. don't
need to hang on a tree.

17:40:27 From Dave - Crescent City:
Nice idea for Tres to give demos

17:41:21 From dickstohr:
I have not received the newsletter. How do
I sign up for it?

17:42:11 From Doug Miller in NKY:
dick, it's on the website

17:42:39 From Steve Maikell :
<https://worldwidewoodturners.org/newsletter/>

17:42:46 From Donald Masterton Australia:
you can read it on the website www.worldwide woodturners.org

17:43:23 From dickstohr:
Thanks.

17:43:57 From brenda thornton:
also I believe the nursing homes have been
hit the hardest with the covid.

17:44:19 From Dane Chandler -Tucson AZ:
so true

17:46:08 From Pohl Barn:
That other Doug M

17:55:43 From Pohl Barn:

ok I wanna show off now
