great demo

17:53:52 From Lan Brady:
it was a great demo

17:55:24 From Terrell Brace:
I am planning on buying a dust collector for my garage shop and I am looking at number of them. I have a 25 gal. plastic trash can made into a cyclone and does a decent job with my large shop vacuum cleaner. I am looking at a Jet Vortex cone 1.5 hp and running it through the trash can or going with the 650 cfm with a bag filter. Any comments appreciated. email - terrellbrace@hotmail.com Thanks.

17:56:11 From Peter Soyden. Mass:
Great demo thank you Kade

17:57:41 From Dan Rozell - Claremore, OK:
@Terrell I Think Eddie talked about having a dust collection demo night, to talk about all the ins and outs. He will validate. I am interested as well :)

17:57:53 From Bob Grinstead - Mansfield, TX.:
can you put his name in the chat Eddie

17:58:15 From Dan Rozell - Claremore, OK:
Love it Kade, you are a awesome demonstrator !

17:58:37 From huck joe kansas:
Very good demo Kade. You really do a great job explaining what you are doing and how to do it. Thanks again.

17:59:09 From Johnny Hughes, Ocean Springs, Mississippi:
great demo Kade

17:59:36 From Jake Niedling - Tennessee:
Great Job Kade. A very well planned and executed demo. Your methods and technique were spot on.
