I have a couple of pieces to show

16:56:16 From Scott Tague wisconsin:
I piece to show

16:57:39 From Dave - Crescent City:
FYI: If you end up seeing only one person while watching
the Zoom, you may have "pin"ed the person to your screen.
I did that accidentally a few minutes ago. Unpin the
person (in upper left corner of your screen) and your
screen will go back to normal.

16:59:59 From Dave - Crescent City:
Nice Larry

woodcrafter sells 4) 3" double Lockering casters
for \$25 dollars.

17:32:32 From Dave - Crescent City:
Thanks Neil

17:34:07 From Dave Leader:
Catalpa is a somewhat underrated hardwood, not seen too
often in lumber form. Unlike most other common carving
woods, such as Butternut or Basswood, Catalpa is resistant
to decay, and is more suited to outdoor carvings than other
domestic species.

17:34:22 From Charlie Bundy Grand Rapids, Mn.:
I have some items to show

17:35:10 From Glenn Dornak:
I have a couple of items to show
