17:06:09 From Dan Rozell - Claremore, OK:
@Ron Best background !!!!!!!

17:08:39 From Bob Grinstead - Mansfield, TX.:
which one is the easiest to cleann

17:10:15 From Matt Harber:
Push down on the button to start airflow, pull back
on the same button to control paint levels.
You can get a starter kit at TCPGlobal for just under \$100...

17:10:22 From Matt Harber:
The double action is pretty easy to learn. Just like
the one he's currently showing. Gravity feed.

17:15:49 From Matt Harber:

(Frisket film)

17:19:40 From Matt Harber:

If you use an alcohol-based product (like Chestnut Spirit Stains), then your first cleaner is denatured alcohol (methylated spirits). If you use the "transparent" acrylic airbrush paints, then your first cleaner is water....

17:22:58 From Matt Harber:

I love these colors too - the Createx - they're great.
Acrylic airbrush paints, sprayed right from the bottle.

17:25:28 From John Scelfo NJ:

Windex helps make the paint flow!

17:36:16 From Martin Clarkson

to Dave - Crescent City(Direct Message):
yes that's the facebook page

17:37:50 From Dave Leader:

Thanks Paul, well done!

17:51:26 From James Desbrow San Antonio:

Paul Thanks for a great demo. Has piqued my interest.

17:51:26 From Dane Chandler -Tucson AZ:

love the colors

17:52:28 From Andy S. -Harrisville Pa:

Thank you Paul, Great demo. Gave me something to think about

17:52:58 From Billy Burt - Alamo City, Texas:

Great demo, Paul!

17:53:21 From Dane Chandler -Tucson AZ:

great job Paul! I now see some new gadgets to order [tonight], lol!

17:53:30 From Doug Miller:

some great ideas here. the m you Paul. very informative.

17:53:54 From Lan Brady:

Thanks Paul. very informative

17:53:54 From Dane Chandler -Tucson AZ:
no popcorn ceilings!

17:53:57 From KimTippin:
Thank you, Paul! Very inspiring!

17:54:01 From Dave - Crescent City
to Bruce from TN(Direct Message):
Bruce, you have been added to the 2x4 Team.
Sorry I missed adding you originally.

17:54:22 From John Scelfo NJ:
Great Job Paul!

17:54:22 From Bob Grinstead - Mansfield, TX.:
thanks Paul!

17:54:23 From Scott Tague in wisconsin:
thank you Paul

17:54:23 From Dave - Crescent City:
Great Paul, thank you

17:54:32 From Ron Radliff - Washington State:
Great demo. Thanks.

17:54:52 From Kade Bolger, Ontario, Canada:
Thanks Oaul. Great demo

<https://www.creative-woodturning.com/>

17:55:17 From huck joe kansas:
Thank you Paul for a very good demo. Good job!

17:56:05 From Matt Harber:
If you use acrylic paints, clean with water first.
If you use alcohol paints (spirit stains), clean
first with denatured alcohol.

17:56:16 From Andy S. -Harrisville Pa:
Popcorn ceiling Dane? how about a swirled plaster?
Hmmm, now you got me thinking!

17:58:12 From Dane Chandler -Tucson AZ:
like the way you thinking Andy!

17:58:51 From Andy S. -Harrisville Pa:
LOL, lots of drywall finishing techniques

18:01:19 From Matt Harber:
Can I quickly show a few airbrushed pieces?

18:01:48 From Dan Rozell - Claremore, OK:
10mm and 1/2 are what is missing

18:05:14 From Dave - Crescent City:
Gorgeous Matt

18:06:06 From KimTippin:
Beautiful, Matt!!

18:06:13 From Gerald Avery, Winter Haven, Fl:
Very Nice Matt. Great Air Brush Work

18:07:43 From Matt Harber:
Thank you all!

18:08:08 From Andy S. -Harrisville Pa:
Looking good Matt\

18:08:26 From KimTippin:
WOW!!!!!!

18:09:38 From Dave - Crescent City:
Gorgeous Tres

18:10:22 From Jeffrey Schnell NJ USA:
<https://www.hdstencils.com/>

18:10:47 From Andy S. -Harrisville Pa:
I agree with Kim! WOW

18:12:38 From Matt Harber:
You can make stencils from anything - I've made
an entire piece just using paper-towel stencils...

18:13:30 From Kade Bolger, Ontario, Canada:
True. You can also mask your piece and cut your
own stencils.

18:13:40 From Matt Harber:
Oh yes!!

18:19:39 From Matt Harber:
I have something to show (in addition)...

18:19:51 From Doug's iPad:
Dane, you have me with something to show?

18:26:23 From Matt Harber:
Very nice, Tres!! Stencils are very useful.

18:27:09 From Brad Johnson:
looks good

18:30:07 From Kade Bolger, Ontario, Canada:
I strop my blades on 1000 grit paper on a flat
piece of hard wood. They literally last forever

18:30:35 From Kade Bolger, Ontario, Canada:
scalpel blades that is

18:34:07 From Lan Brady:
great tips Tres

18:34:09 From Dave - Crescent City:
Nice

18:35:59 From Andy S. -Harrisville Pa:
Thanks Tres

18:36:59 From Matt Harber:
Thank you, Tres! Great tips and techniques!

18:37:48 From Kade Bolger, Ontario, Canada:
Thank you Paul and Tres. Great demos.

18:37:52 From huck joe kansas:
Another great demo Tres. Good job once again!

18:38:41 From Dave - Crescent City:
Thank you Tres

18:38:41 From Billy Burt - Alamo City, Texas:

Cool stuff, Tres!

18:38:56 From Waukeene Vinson, CC, Texas:
Fantastic Tres

18:39:00 From KimTippin:
Thank you, Tres
