well folks, bedtime again, thanks for the
inspiration. See you all next week. same bat
time, same bat channel

17:30:16 From Tom Kenny - Tallahassee, FL:
Has anyone tried the ball end mill hollowing tool
out of carbide rather than HSS?

17:34:13 From Dane Chandler -Tucson AZ:
In last weeks program I did a demo on using
Parfix 3408 & vonax that you can watch on
our youtube channel

17:37:20 From Jason collett monument co:
The end mill worked good on alabaster

17:38:35 From Gerald Jensen:
I have done several boxes with the ball end mill
tool ... there is a little learning curve, but
once you 'catch' onto it, it works wonders!

17:40:05 From Ron Radliff - Sedro-Woolley, WA:
https://www.youtube.com/watch?v=BstEat4BR9k&ab_channel=WoodTurning

17:43:47 From Bob Moffett - N.C.:

I have something

17:44:38 From Dane Chandler -Tucson AZ:
thanks Bob's for filling in!

17:45:42 From Susan's iPad:
I have it in orange with white accessories in the garage.

17:47:32 From Gary Bobenhausen-Corinth, Texas:
I just did a search on YouTube "Wood Turning 3408"
and found the demo.

17:48:10 From Dean Grimes TX:
I can show something

17:48:40 From Susan's iPad:
That is too cool, bob!

17:49:10 From Randy Smith - PA:
Ssme time ago I saw a peg board where the pegboards
were mounted into frames like pages of a book. The
"pages" were about 6" apart and the end of the pagboard
frames were pin-ed to a wall mount. 4 or 6 frames are
very compact and don't take up a lot of wall space.

18:02:42 From Mike Keebaugh:
Its a wooden Fez.

18:15:22 From Randy Smith - PA:
Good night everyone. falling asleep...

18:26:50 From Susan's iPad:
fantastic but I'm gonna have to watch again!

18:27:47 From Dave Rhodes - Crescent City:
Great. Appreciate the clarity and detail

18:27:49 From Bob Grinstead - Mansfield, TX.:
good demo Kade lots of good information easy to
understand.

18:29:18 From Bray's Woodturning:
great demo!

18:29:22 From Waukeene Vinson, CC, Texas:
I got something to show

18:34:09 From Billy Burt - Alamo City, Texas:
Night, everyone, the wife wants to watch TV so I'll
see y'all next time.

18:38:31 From David George:
I am impressed Kade!

18:41:55 From Doug Smith , NH:
Great demo Kade.

18:42:22 From Dave Rhodes - Crescent City:
Thank you Kade

18:42:55 From David George:
Great Teacher Kade.

18:42:57 From Stephen Makuka:
Thank you Kade!

18:44:17 From huck joe kansas:
Amazing Kade, you are the best. Thanks for the
Great Demo.

18:45:15 From Gary Bobenhausen-Corinth, Texas:
Great demo Kade.

18:47:37 From Dane Chandler -Tucson AZ:
isn't EEE 800 grit equivalent?

18:54:05 From Steve Maikell:
penturners.org group user says EEE polishing the
finish with a 900-grit abrasive

18:54:29 From David J from Michigan:
