Great idea Brenda ...

17:01:06 From Joaquin Juatai:
I'm attending from my vehicle tonight
and can't share the box I finished today.

17:04:43 From Doug Rowe out in Arizona:
Big shout out to Gary Hoffman. He sent me
10 pens this week.

17:05:26 From Bob Grinstead Mansfield, TX.:
Doug you missed him . He was on earlier.

17:06:09 From Doug Rowe out in Arizona:
Thanks Gary

17:06:13 From gary hoffman arizona:
IM STILL HERE

17:06:48 From gary hoffman arizona:
WELCOME

17:07:19 From Gerald Jensen:
I teach a pen-turning class for beginners ...
the only tool we use is a spindle roughing gouge.

17:09:30 From Joaquin Juatai:
I grazed my thumb with my little dovetail saw
this morning.

17:09:51 From Chris Neilan:
Looking for a recommendation. I need to put a handle on
a D-way large skew... any input on length ?

17:10:52 From Kade Bolger, Ontario, Canada:
I'd say 12"

17:11:18 From Chris Neilan:
Powermatic 3520

17:11:57 From Chris Neilan:
Thank you

17:12:16 From Chris Neilan:
Belly, what's that? Lol

17:12:36 From Kade Bolger, Ontario, Canada:
it's a keg. lol

17:15:51 From Bob Moffett - N.C.:
Could we have someone demo a McNaughton coring
system sometime?

17:16:13 From Kade Bolger, Ontario, Canada:
hello Bob

17:17:59 From casey:
Very cool Dean? What do people who buy them say
they will use them for?

17:19:11 From Kade Bolger, Ontario, Canada:
medications, smokes, cigars, EpiPens

17:19:19 From Kade Bolger, Ontario, Canada:
etc

17:20:27 From Eddie Castelin:
I made a group for my wife's sewing group. A pin
holder. Big hit.

17:21:37 From Kade Bolger, Ontario, Canada:
awww, yes, sewing needles, seam rippers.

17:22:11 From Kade Bolger, Ontario, Canada:
What speed are you drilling at?

17:25:45 From Lan Brady:
In the lid. What is the advantage of drilling 5/8"

and 1/2" hole, instead of drilling 5/8" to full depth?

17:26:33 From Billy Dillard Houma Louisiana:
Home deep was that hole?

17:26:42 From Martin Clarkson:
it will come to light in moment I think it will
be the recess for the lid

17:28:46 From Kade Bolger, Ontario, Canada:
same action as a parting tool.

17:31:10 From Lan Brady:
thanks

17:36:17 From Randy Smith - PA:
I have a 30 second idea for chuck keys.

17:39:30 From Neil Mack Florida:
When my daughter was young she helped me move some wood, she got a splinter,

. Dad please get it out. I said hold still I will get it out with wood
magnet!:

. Dad please get it out. I said hold still I will get it out with wood
magnet!

17:43:20 From Kim:
Sorry. My internet is in and out due to a storm. I have
to refresh my browser to see what is going on. I didn't
mean to talk over the demo. I apologize

17:45:04 From Kade Bolger, Ontario, Canada:
fine angel hair pasta

17:45:34 From Lan Brady:
cool sandpaper idea

17:45:45 From Bob Moffett - N.C.:
Don't eat it, to much fiber

17:47:08 From Joaquin Juatai:
I got pulled away on a phone call. I don't remember, do
the presentation videos go oh YouTube?

17:47:14 From Joaquin Juatai:
on

17:47:32 From Kade Bolger, Ontario, Canada:
yes the do(Winking Face)

17:47:40 From Gerald Jensen:
Yes ... give a few days for editing

17:47:41 From Kade Bolger, Ontario, Canada:
they

17:47:46 From Joaquin Juatai:
Thank you.

17:48:16 From Jacque (Jack) Jecker, Victoria, Texas:
They also go on the website.

17:50:55 From Lan Brady:
That was great

17:51:02 From Dave Rhodes - Crescent City:
That was a really good demo Dean. Thank you.

17:51:29 From Doug Rowe out in Arizona:
I gotta go ya all see you next week

17:51:44 From Neil Mack Florida:
Thank you Dean!

17:53:32 From Billy Burt - Alamo City, Texas:
My Record Power SC4 came with a spanner.

17:53:40 From huck joe kansas:
Good job Dean. Thanks for the great demo.

17:54:22 From Kade Bolger, Ontario, Canada:
If anyone is interested, there is a Woodturners Retreat,
6 Turners Live Event this Sat July 31st. Six professional
woodturners bring you 6 different demonstrations. Recordings
are available after and all attendees will be entered into
a raffle to win 1 hour lesson of your choice with one of
the demonstrators.

17:56:32 From Norman Lanford:
That spanner wrench may be a good idea, but I tried using a strap oil filter wrench to do the same thing, but stopped when it took the chuck off of the insert, leaving the insert on the headstock. Not cool.

17:57:49 From Dane Chandler -Tucson AZ:
thanks so much Dean

17:58:22 From Bob Moffett - N.C.:
Great demo Dean!

17:58:58 From brenda thornton ohio:
i used a oil trap once too, and broke it (the strap). then realized i didn't take out the set screw.

18:00:06 From Dean Grimes:
I have something

18:00:20 From Kim:
I have something :)

18:00:34 From Kade Bolger, Ontario, Canada:
I have a few

18:01:09 From Martin Clarkson:
can I ask dean something

18:03:36 From johnbruch:
I have something...

18:03:54 From brenda thornton ohio:
good question... i wondered the same thing

18:04:15 From Doug Moore in Michigan:
I Have Nothing !

18:04:24 From Doug Moore in Michigan:
No project this week

18:04:30 From Billy Burt - Alamo City, Texas:
Me either, Doug

18:04:39 From Doug Moore in Michigan:
Hey Billy

18:04:49 From Dane Chandler -Tucson AZ:
you earned a cert though Doug!

18:05:03 From Billy Burt - Alamo City, Texas:
Because I sold it before it was finished...

18:05:04 From Kim:
It is so hot outside I lost my hearing lol

18:05:13 From Doug Moore in Michigan:
Kim send me a photo Dane

18:05:13 From Kim:
lost*

18:08:26 From Kade Bolger, Ontario, Canada:
I have a mess up

18:08:44 From Dane Chandler -Tucson AZ:
got ya in queue

18:11:16 From Randy Smith - PA:
Experience is what you get when you don't have experience!

18:12:39 From Ron Vincent Wyoming, mi:
The difference between a master and a beginner, is the master
has made more mistakes the mistake than the beginners has attempted

18:12:54 From Kim:
Amen Ron!!

18:13:00 From Billy Burt - Alamo City, Texas:
I have to run, folks. Thanks, everyone!

18:13:10 From Kim:
bye Billy!

18:13:12 From Doug Moore in Michigan:
I'm not a Pro, I'm a Hobbyist at best, I've learn what I
know from People in this meeting

18:13:52 From brenda thornton ohio:
yes amen RON

18:14:49 From Kim:
:) Doug! I learned from those that were willing to share regardless
to what they knew or didn't know. Like you! and many others. I wouldn't
be who I am as a turner if it wasn't for them. :)

18:15:52 From Doug Moore in Michigan:
I've learned from you to Kim and Billy and Eddie and so on lol

18:16:18 From Kim:

18:16:21 From Dane Chandler -Tucson AZ:
persimmon is also the only north American ebony

18:19:01 From Martin Clarkson:
thanks for having us guys its time for me to hit the pit 230 am hear
will catch you all next week great demo dean thanks eddie and all
you guys.

18:19:37 From Lan Brady:
lol Dean

18:20:35 From Bob Moffett - N.C.:
I use masking tape to attach a rare earth magnet to a pencil and
put it on each stationary power tool.

18:21:41 From Matt Harber:
Oooooo!! That's glorious!

18:22:34 From Dane Chandler -Tucson AZ:

there are powerful magnets in PC harddrive. I salvage them & use when I terminate old computers.

18:22:59 From Matt Harber:
I use old speaker magnets....

18:23:03 From Doug Moore in Michigan:
it has acetone in it

18:23:12 From Kade Bolger, Ontario, Canada:
great tip Dane.

18:23:21 From Scott Tague:
Those look great Kim

18:23:28 From Kade Bolger, Ontario, Canada:
I get them at Lee Valley

18:23:35 From Matt Harber:
Those are really nice, Kim! Very cool!

18:24:30 From Kade Bolger, Ontario, Canada:
Beautiful pens Kim.

18:27:00 From Mike Keebaugh:
beautiful pens. I wish they were more durable. :(

18:27:17 From Kim:
Thank you yall!! They are horrible but I WILL get it figured out... eventually lol

18:28:48 From Dane Chandler -Tucson AZ:
kim, bake a piece of clay and then put it in a bit of acetone & see if that is what's degrading the clay. Doug mentioned starbond having acetone, so I would agree that may be the issue.

18:29:07 From Matt Harber:
Lathe Chuck removal tool:
<https://www.etsy.com/listing/782072192/lathe-chuck-removal-tool>

18:29:48 From Kim:
Thank you Matt!

18:31:14 From Matt Harber:
I want a morning star!

18:32:17 From Matt Harber:
Well done, Kade! What fun!

18:32:18 From Lan Brady:
very nice Kade

18:32:59 From Neil Mack Florida:
You have such patience! Wow

18:33:16 From Doug Moore in Michigan:
did you hear that Billy it's a lil you

18:33:24 From Doug Moore in Michigan:
Tire thumper

18:35:52 From Bray's Woodturning:
I have something

18:38:08 From Matt Harber:
I ... like ... big bowls and I cannot lie....
Very nice, John!

18:38:44 From Kim:
Thank you, Dane!

18:39:59 From Kade Bolger, Ontario, Canada:
very nice John.! Miniatures are sooo much fun. Tricky to do.

18:42:26 From Kim:
Matt, That is my song!! lol

18:42:42 From Jeffrey Schnell NJ USA:
Announcement

18:44:03 From Matt Harber:
I got on late because I've been traveling on business
(again) all week - so I've got nothing (new) from the
shop to show... But thanks for asking, Cap'n Eddie!

18:45:21 From Kim:
Lifting the families up in prayer

18:45:44 From Mike Keebaugh:
i can show a pen

18:46:03 From Kim:
That is cool lol

18:46:05 From Matt Harber:
That's awesome, Bob!! Great fun!

18:47:10 From Tres Lennep, Ocean Springs, Mississippi:
I have a couple of small items

18:47:17 From jim selby jacksonville fl:
I have something

18:51:14 From Brent Sobotka:
I made one after seeing Dougs video.

18:51:23 From Dick Meuler - Des Moines, Iowa:
spanner wrench

18:51:31 From Bob Grinstead Mansfield, TX.:
great idea Doug. I'll have to make one

18:52:41 From Matt Harber:
Well done, Tres!
Just be sure you don't set your house/shop on
fire, chasing the cockroaches around with the torch...

18:53:39 From Doug Moore in Michigan:
Matt shared a link to my video BOB, it's back
in the chat a lil ways
