Great Tips...

17:35:52 From Dane Chandler -Tucson AZ to Everyone:
who is up for doing a demo in Oct.....I need 3 more to fill out the month

17:36:19 From Ron Radliff to Everyone:
I just took a quick look at Walt's website (<https://www.waltwager.com/>) and
looked at some of his turnings that are posted there. Some really amazing
work indeed.

17:37:41 From Brent Sobotka, Wyoming to Everyone:
Martin, I use the slip mat as well. However it really holds dust really
well which causes it to loose grip. Of coarse I blow it out regularly,
which helps. But I'm thinking that maybe the leather wouldn't hold dust
as much. Might be grippier (is that a word?). Worth a try.

18:15:08 From Rich Borchers, Sand Springs, OK to Everyone:

18:15:31 From Scott Hampton, Sequoia National Park, CA to Everyone:

18:28:22 From brenda thornton ohio to Everyone:
i don't feel this is any more of a commercial then when mark salay did it.

18:30:13 From Gordon Kincheloe-Alamo Woodturners to Everyone:
I have had great luck with Exotic Blanks. Great service and great prices. They sell most of Penn State kits and many times they are a little cheaper, especially in quantity. They will let you mix kits for quantity. And, you get a bag of M&M's with each order.

18:30:20 From Brent Sobotka, Wyoming to Everyone:
