- 15:56:22 From Joaquin Juatai to Everyone:
Evening. Anyone heard any updates from Capt. Eddie?
- 16:05:03 From Gerald Avery, Winter Haven, Fl to Everyone:
Try looking at Record Power's website for some excellent free Demos.
Tuesday the had a guy from "down under" Theo Haralampou did a super job
of making a Cup cake box. He also did a demo on making little raised
bumps (or round sprinkles) by taking a rounded end punch and hammer to
the top. Then sanding about 1/2 of the surface away. With dimples still
there...drop it in water and the dimples will become little round bumps.
Very neat! Send an email to MikeD@RecordPower.Co.Uk
