19:50:07 From Donald Masterton Lara Vic Australia to Everyone: i have something to show
19:51:09 From Josh to Everyone: Lightburn is an all in 1 laser engraving software. You do have to pay for it but you can try it out for 30 days before buying. It works with diode, co2, and fiber lasers. It is very user friendly and there are hundreds of videos on YouTube to help with everything.
19:54:21 From Matt Harber to Everyone: I use a free Windows program, PhotoScape, to manipulate and convert images. This lets me convert color photos to grayscale, and manipulate the color/contrast levels. I can also convert

to black-and-white with this, if I want.

19:54:52 From Gary Bobenhausen-Corinth, Texas to Everyone: Great, thanks

20:02:39 From Matt Harber to Everyone: NEJE

20:11:38 From huck joe kansas to Everyone: Great job Billy. You have answered a lot of things I was wondering about. Thank You BUNCHES !

20:12:09 From Doug Miller to Everyone: Well done Billy. Very good information.

20:12:42 From Ron Vincent Wildwood, FL to Everyone: Good Job Billy

20:13:03 From Matt Harber to Everyone: Thanks, Billy!

20:13:12 From brenda thornton ohio to Everyone: can we get a demo on how to create a picture to laser

20:15:52 From Matt Harber to Everyone: Any YouTube video on whatever image software you might use will show you how to create an image in that software. Every different software will have different methods. Best way to learn that is to figure out what software you want to use on whatever platform (Windows, Apple, Phone, etc), then learn to create images with that software.

20:16:39 From Matt Harber to Everyone: Back up often!!!

20:19:03 From john to Everyone: Great job Billy!

20:20:04 From Gary Bobenhausen-Corinth, Texas to Everyone: Thanks for the demo and answering questions

20:23:27 From Ron Radliff: Sedro-Woolley, WA to Everyone: I can sympathize with the fear of public speaking. I'm here to tell you, age doesn't make it any easier. Therefore, I don't.

20:23:34 From Matt Harber to Everyone: Eddie, want to see a quick demo on articulated arm construction? (next week)

20:26:39 From Dane Chandler -Tucson AZ to Everyone: yes indeed Matt

20:36:03 From Doug Rowe to Everyone: Hey Dane if there is time spot light me and I'll show what I'm working on tonight
