16:48:47 From Matt Harber to Everyone:
Great, Dane! Thanks!

16:49:11 From Dane Chandler -Tucson AZ to Everyone:
11\$ for 20. they work fabulous

16:49:22 From Rick Tucker KC to Everyone:
I have pictures of my router jig

16:53:51 From Scott Hampton to Everyone:
I need a comfort break, and will back in a minute for the demo.

Safety

16:55:59 From Dane Chandler -Tucson AZ to Everyone:
☐

16:57:39 From Matt Harber to Everyone:
How do you keep the tension on the string?

16:58:37 From Scott Hampton to Everyone:
Just had an earthquake here in California, 5.0 on the
scale. Made my cameras shake about for a moment.

17:01:16 From Brent Sobotka, Wyoming to Everyone:
This is very much like the old Craftsman/Trend Router Crafter.
They don't make them anymore. I bought one off of ebay a year
ago, but haven't used it yet.

17:02:26 From Tim Hatch TX to Everyone:
Scott Looks out for the after shocks... 5.0 is a pretty good one

17:02:28 From Scott Hampton to Everyone:
Centered in Big Pines in the eastern Sierra Mountains,
about forty miles east of me.

17:04:52 From Matt Harber to Everyone:
..... that link was "Router Embellishing Woodturnings"
with Ben Simmons....

17:04:54 From Bob Grinstead Mansfield, TX. to Everyone:
John Lucas has a good straight flute video too.
<https://www.youtube.com/watch?v=yu0cJeKhqLA>

17:20:51 From Cap'n Eddie to Everyone:
That google search for Ben Simmons will bring you to a you
tube on his technique, it will also help you find the
Independence woodturners.

17:23:52 From Andy Schuster to Everyone:
great demo Scott. thanks, but I gots to go to bed. good night all

17:24:07 From Mark Inmon Kansas City,Mo to Everyone:
Ben Simmons is a good guy, he is in my area.

17:24:22 From Dane Chandler -Tucson AZ to Everyone:
Jeff, we'll do safety after the demo

17:30:31 From Cap'n Eddie to Everyone:
Reminder to all. We are still collecting info for our contact list.
This is voluntary for participation in our private list. Put the
info you wish to share in this chat. Dave will pull it out and add
it to our list. To access the list, just go to contacts on our website,
look for the link, complete the form (subject is Captain) uncheck box
and you will receive the list by e-mail. This is not a "live" list.
You can copy the info and use it as you may, but not for commercial
operations. Thanks for your participation.

17:32:56 From Dane Chandler -Tucson AZ to Everyone:
plus less opposing pressure against the tenon.

17:34:45 From Randy Smith - PA to Everyone:
Anyone that wants to join our live stream at the Pennsylvania Farm Show
on Tuesday January 11 at 7pm Eastern Time. Please send an email to
rsrandy45@gmail.com I will send you a link. This is an experiment,
we have not done this before. Thanks... Randy Smith

17:42:00 From Donald Masterton Lara Vic Australia to Everyone:
iv got to go take my wife to the hospitable for a follow up have enjoyed
it will finish watching the recording

17:44:27 From Tim Hatch TX to Everyone:
Safe Travels and Speedy Recovery for the better half Donald...

17:55:51 From Dane Chandler -Tucson AZ to Everyone:

we're looking for some NEW demonstrators to give a break for the regular crew. experience is not a factor, fancy turnings not required, we just want to see what you can do for us and it's a learning opportunity for not only you but others.

17:57:10 From John New Jersey to Everyone:
Good Night Donald!

18:04:04 From Cap'n Eddie to Everyone:
Wow!, while we're looking for demos, let's think about plates, platters and shallow bowls for art pieces. I have 30 hanging on the walls of our mixing hallway, good art is hard to find

18:04:50 From Dane Chandler -Tucson AZ to Everyone:
we got some platter art pieces coming up

18:04:53 From John Brown to Everyone:
If you use a live center with a long center point you can use a spindle gouge and get all that wood off the tenon.

18:05:46 From Lan Brady to Everyone:
excellent job Scott. Nicely presented

18:05:59 From huck joe kansas to Everyone:
Thank you Scott, Good job.

18:06:07 From Matt Harber to Everyone:
Thanks Scott! Good demo!

18:06:20 From Susan's iPad to Everyone:
Great Demo Scott! Even through an earthquake! Thank you !

18:06:41 From Cap'n Eddie to Everyone:
I like making the finish, clean off cuts with my Mark Silly tool.

18:08:06 From John Brown to Everyone:
Someone needs to speak some on multiple cameras and how to do switching of them.

18:10:09 From Scott Tague Wisconsin to Everyone:
Thanks Scott great demo

18:10:16 From Dave Rhodes - Crescent City to Everyone:
Thank you Scott.

18:10:19 From Tim Hatch TX to Everyone:
Thanks Scott

18:10:22 From Matt Harber to Everyone:
John, I use VMix on a windows 10 laptop to switch between cameras. But you can switch between cameras strictly through zoom....

18:10:42 From Dean Grimes TX to Everyone:
Great Demo Scott Thanks for Sharing

18:11:09 From John New Jersey to Everyone:

Thanks Scott!

18:12:41 From Matt Harber to Everyone:

I also have one of these, a mini keyboard. It lets me control my keyboard on the computer remotely. Very useful when configured with hotkeys.... especially to switch between cameras. <https://www.amazon.com/gp/product/B00I5SW8MC/>

18:15:23 From Scott Hampton to Everyone:

Thank you for the comments. I really appreciate it. Please check out my YouTube channel for more fun videos.

they are a standard size for the majority of BS Johnny

18:50:18 From Bob Grinstead Mansfield, TX. to Everyone:
Kade how are you roasting the ash?

18:51:10 From Dane Chandler -Tucson AZ to Everyone:
roasted wood is done at the mill through higher heat & multiple runs
through the kiln

18:52:14 From Martin Clarkson to Everyone:
no point in telephone number as your call will cost as much as the flight
but your all welcome to come to the workshop if you want to lol

18:54:18 From David j Edwards Michigan to Everyone:
Good Night everyone

18:54:54 From Tim Hatch TX to Everyone:
Might try roasting in my Smoker....

18:59:53 From Dane Chandler -Tucson AZ to Everyone:
roasted wood is wood that has been thermally modified at high temperatures
through a secondary kiln process. www.comercialforestproducts.com

19:02:55 From Dane Chandler -Tucson AZ to Everyone:
the process removes the wood sugars, moisture & other impurities. thus
creating the carmelized coloring of the wood.
