19:41:43 From Gordon Kincheloe-Alamo Woodturners :
SWAT Demo sessions are on the SWAT website. All COVID restrictions have been lifted, assuming no changes in the virus conditions.

19:42:41 From Paula Shea :
some of us missed Doug in the suit!

19:43:15 From Dane Chandler -Tucson AZ :
wouldn't say missed

19:43:23 From Matt Harber :
LOL!

19:43:23 From Lou Newell :
unfortunately I have to go see you all next week

19:45:14 From Paula Shea :
Dane, put it up in shoe n tell

19:46:00 From Dane Chandler -Tucson AZ :
got ya down paula

19:47:35 From Paula Shea :
no, not me, was talking about Doug in suit lol

19:48:22 From Dane Chandler -Tucson AZ :
□

19:52:31 From Ron Vincent Wyoming, mi :
I have been using a diamond file between grinds

19:52:53 From Matt Harber :
That's exactly what I do, Ron

19:54:01 From Dane Chandler -Tucson AZ :
I also use a diamond stone between grinds.....
grind being done every month or so as needed

19:55:50 From Kade Bolger, Ontario, Canada :
I hone in between grinds as well. □

19:56:29 From Kade Bolger, Ontario, Canada :
Irish grind / Ellsworth grind it 55° bevel swept
back to 120°

19:57:09 From KimTippin :

Anyone use the CBN rods yet?

19:57:32 From Ron Vincent Wyoming, mi :

Thinking about it Kim

19:58:05 From Doug Rowe out in Arizona :

Great seeing everyone again. I hope I gave you
some good laughs. I gotta go spend time with the family.

19:59:13 From KimTippin :

Good seeing you Doug! Even if it was in a questionable outfit. lol

Link for profiles and the angles.

20:05:48 From Randy Smith - PA :

I attach a sticky back tape on the bar. I write
the setting on the tool.

20:07:36 From Bob Grinstead - Mansfield, TX. :

Thanks Mark

20:07:40 From Ron Vincent Wyoming, mi :

Thanks Mark

20:07:52 From Dane Chandler -Tucson AZ :

sharpie is your friend for writing the angle down

20:08:01 From Dane Chandler -Tucson AZ :

thanks Mark

20:08:06 From Susan's iPad :

20:09:38 From Kade Bolger, Ontario, Canada :

great tips. thank you Mark

20:12:08 From Mike Keebaugh Painters :

You can never get this kind of quality information
at a live woodturning group. This group is amazing.
Thanks everyone for putting this together.

20:14:00 From gary hoffman arizona :

sound is weak

20:14:05 From Russell Gates :
i can't hear him

20:14:16 From Dane Chandler -Tucson AZ :
ditto

20:14:54 From Gordon Kincheloe-Alamo Woodturners :
Need more volume - can't hear

20:24:09 From KimTippin :
\$25.50

20:24:41 From Mike Keebaugh Painters :
moisture trap inline is a good idea for air
compressors with a tank

20:26:18 From Josh Smith :
Harbor Freight has an entire air brush/ compressor kit
for \$120 made by Avanti. It is a new kit just out recently

20:26:41 From Lan Brady :
inexpensive holder at HF.

20:27:57 From Dane Chandler -Tucson AZ :
12 gauge wire works great also!

20:32:05 From KimTippin :
You can buy cheap ink pens from the dollar store, mix
the ink with DA (Denatured Alcohol) and use in the air
brush. Lots of color options for cheap!

20:32:27 From Bob Grinstead - Mansfield, TX. :
Thanks Kim

20:32:39 From KimTippin :
:) Works in resin too!

20:36:21 From KimTippin :

Stewart is also amazing at this type of art. Check his
YT out as well.
