LOL!

17:21:24 From Bob Grinstead - Mansfield, Texas :

Good night Andy.

17:40:31 From Bob Grinstead - Mansfield, Texas :
If you are not making mistakes you are probably not doing anything. At least not interesting.

17:40:51 From Tim Hatch Bastrop, TX :
That's a Fact Bob...

17:41:32 From brenda thornton greenville ohio :
i love my trend air shield

17:43:16 From Tim Hatch Bastrop, TX :
Great idea with the Burl inlay... I like it..

17:43:52 From brenda thornton greenville ohio :
i agree i love the inlay

17:44:27 From Bob Grinstead - Mansfield, Texas :
Is that the top or bottom? might rock

17:44:29 From Doug Miller's iPad :
Raffin's new videos on YouTube are worth watching. Very informative
.

17:45:45 From Tim Hatch Bastrop, TX :
Saw a YouTube with Tim Yoder making pendants... he took a 2 inch hole

e saw... no bit in the center.. cut two inch circles.. then took them to the band saw and cut 1/4 inch disc out.. could be a great technique for making these inlay pieces.

17:45:56 From Joaquin Juatai :

One of my favorites. It's amusing the parallels between his techniques and Mark Sillay's techniques (in some things).

17:48:30 From Tim Hatch Bastrop, TX :

also had some great staining tips like the ones Doug and Billy have shown us... here is a link if you are interested....

<https://www.youtube.com/watch?v=HMTqdpIMm3o>

17:53:24 From Tim Hatch Bastrop, TX :

Good reason to have that ole Checklist Sue was talking about

17:54:52 From Joaquin Juatai :

I recently had a non-turning related gash on my thumb and had to wear a glove to protect it while it was healing.

17:56:02 From Joaquin Juatai :

I just told people during live turning or on my YouTube videos that I don't recommend gloves while turning, I was aware of the danger and thank you for your concern.

17:56:36 From Dave Kingsley - Lakewood NY :

My doctor has advised me to wear a glove because of a condition in my hands. I'm very careful to stay to the outside of my tool rest.

17:57:46 From Heather-Spiritwynd Wood Stone and Bone :

I worked in a factory when one of the girls running a drill press got her hair caught. her face was about 2 inches away from the drill when it stopped!

17:58:15 From Billy Burt - Alamo City, Texas :

Oh my, Heather!

17:58:26 From Joaquin Juatai :

my bottom line is, my shop, my rules. I expect you are an adult, and I respect your right to make your own choices

17:58:28 From Tim Hatch Bastrop, TX :

That's Scary...

17:59:06 From SteveDurham :

faster speed, LIGHTER touch

17:59:16 From Joaquin Juatai :

Normally, the only gloves I even have in my shop are nitrile.

17:59:27 From Heather-Spiritwynd Wood Stone and Bone :

I almost always have my Hair back,,, even when drinking coffee! ☐

17:59:40 From Henry Hogge :

Scary (to me) demo!

17:59:45 From brenda thornton greenville ohio :
Imbo

18:00:00 From Joaquin Juatai :

18:00:01 From Billy Burt - Alamo City, Texas :
I keep my hait up too, Heather!

18:00:02 From Bob Moffett - N.C. :
I don't have that much hair anymore!

18:00:34 From Safety Sue Largo :
That's good to hear Billy LOL

18:00:36 From Billy Burt - Alamo City, Texas :
I fill my beard with shavings daily... but I ain't cutting it... lol

18:01:19 From Joaquin Juatai :
The main reason I wear a face shield is to keep the shavings out of my beard.

18:01:26 From Tim Hatch Bastrop, TX :
LOL.. Never Trim your Beard Billy.... you can't be Sandy Clause if you do...

18:01:35 From Heather-Spiritwynd Wood Stone and Bone :
split your beard down the middle and tie it in the back Billy ☐

18:02:11 From Billy Burt - Alamo City, Texas :
LOL, Heather... it does that when I ride a motorcycle all on its own.

18:02:17 From Bob Moffett - N.C. :
Billy, turn cherry, the shavings smell good in your beard.

18:02:36 From Joaquin Juatai :
True, Bob.

18:02:46 From Billy Burt - Alamo City, Texas :
Yeah, I love the smell of turning cherry!

18:02:58 From Safety Sue Largo :
Bob ,How would you know?

18:03:19 From Bob Moffett - N.C. :
LOL

18:03:20 From Joaquin Juatai :

18:03:54 From Billy Burt - Alamo City, Texas :

18:04:23 From Jim Spaulding :
not seen 80 degrees in my shop since early May

18:04:34 From Charlie Bundy Grand Rapids, Mn. :
Now your age is showing Billy

18:04:41 From Safety Sue Largo :
They still make those but the two old guys with beards aren't on them anymore

18:04:49 From Bob Moffett - N.C. :
You could probably choke on choke cherry.

18:05:23 From Joaquin Juatai :
It's only 80 in my shop before sunrise. After that ... Gotta love North Carolina!

18:05:36 From Billy Burt - Alamo City, Texas :
I do that often, Charlie

18:06:19 From Charlie Bundy Grand Rapids, Mn. :

18:06:32 From Billy Burt - Alamo City, Texas :
Yeah, I saw Ludens recently, Sue... just don't remember where?

18:07:47 From Safety Sue Largo :
Billy I got mine on Amazon

18:08:57 From Billy Burt - Alamo City, Texas :

18:09:30 From Bob Moffett - N.C. :
They make a good treat.

18:13:02 From Joaquin Juatai :
I'm a big fan of the green wave from Wooturners Wonders
