18:19:57 From Norm Minnesota:
I like how he has he tool labeled on the handle

18:20:09 From Lonnie Weidner:
Anyone have a link in Amazon for the m2 tapered shank drill bits?

18:21:05 From Dane Chandler - pc - Tucson AZ:
Replying to "do you use the dye f..."

not necessarily.....it depends on the effect you are going for,. for me, I use vape juice bottles, about 4oz and I fill with DNA and maybe 1/2 - 1 teaspoon of the RIT Dye and you build the color. Dark colors go on first....if to dark, then sand them back...then follow with the lighter colors.

18:21:21 From Tim Hatch Bastrop, TX:
Replying to "that's the tool rest..."

@no band aids Brenda...ohio Great Tool Rest you have a leverage point with the Spring Pin they installed when it was made it
