I will be processing red oak and white oak blanks from Fort Mill, NC, an area directly effected by hurricane Helene, and from trees felled by the storm, this weekend. I am "selling" these hurricane blanks for \$10 donations plus shipping. All proceeds are going to Samaritan's Purse, a non-profit based in Boone, NC, that was effected by the storm directly, and which is providing ongoing support to the people in the entire region who were effected by the storm. Please keep an eye on my social media and on the WWW Facebook page. I will provide a link as soon as the processed banks are available. ALL profits will be donated to Samaritan's Purse.
