

15:34:17 From Joaquin Juatai - Thomasville, NC : Good evening. I have gallery.
Reactions:

15:34:54 From Billy B, Alamo City : I got nine of the acrylic Golden Ratio calipers
cut and assembled and nine Baltic Birch plys.
Reactions:

15:35:14 From Billy B, Alamo City : Will 12 of each be enough?

From Joaquin Juatai - Thomasville, NC : I want 2 of the Birch ones.
From Dane : yes, I believe that will do. we should of plenty
between yours, Daves, and Brents

15:36:57 From Billy B, Alamo City : I think I'll keep three of the acrylic to sell to
those who can't make level up for a total nine
acrylic up at Level Up.

15:37:31 From Billy B, Alamo City : And I can make as many more Baltic Birch as I
need.

From Dane :

15:41:01 From Dave Kingsley - Lakewood NY : I have gallery
Reactions:

15:43:22 From Billy B, Alamo City : I have something
Reactions:

15:43:54 From Patrick Hoggard Chiskie, NC : I have gallery
Reactions:

15:44:29 From Al Dawson : I have something to show
Reactions:

15:50:28 From Bambi Golombisky : Steve and I have something for gallery.
Reactions:

15:59:05 From Neal : Hello everyone
Reactions:

15:59:27 From Donna Rhindress : Hi Neal, hi everyone

15:59:51 From Scott Tague : Hi donna

16:00:12 From Neal : Hi Donna

16:04:43 From Bob Grinstead - Mansfield, Texas : I have something to show
Reactions:

16:04:50 From Donna Rhindress : I can show something
Reactions:

16:06:24 From Donna Rhindress : Very nice box

16:07:21 From Donna Rhindress : Very cool

16:07:55 From Tim Hatch Bastrop, TX : Good Evening Everyone..
Reactions:

16:08:03 From Tim Hatch Bastrop, TX : Cool Box JJ

16:11:09 From Donna Rhindress : My house is almost all cedar

From Billy B, Alamo City : Cool!

Reactions:

16:14:34 From Jim : I can show some pieces
Reactions:

16:16:28 From Tim Hatch Bastrop, TX : Oh that color looks much better than the earlier
pic... Well Done @Billy B, Alamo City
Reactions:

16:17:04 From Donna Rhindress : That's very cool Billy

16:18:41 From Joaquin Juatai - Thomasville, NC : Poplar takes threads well, too.
Reactions:

16:21:46 From Donna Rhindress : Love that black walnut Patrick
Reactions:

16:25:34 From Donna Rhindress : That snake skin box is beautiful
Reactions:

16:25:49 From Matt the Gobleteer : Yep, beautiful!

16:26:31 From Donna Rhindress : Wow that square box
Reactions:

16:27:33 From Joaquin Juatai - Thomasville, NC : If you share it during gallery, you should send it

yourself.
Reactions:

16:29:17 From Leonard Davis in Athol, MA : good evening, morning all
Reactions:

16:30:10 From Tim Hatch Bastrop, TX : Hey Leonard

16:30:20 From Leonard Davis in Athol, MA : HI Tim
Reactions:

16:30:49 From Roger Wollam Kahoka Mo : My granddaughter just signed in Lorelai brundage

16:31:03 From Roger Wollam Kahoka Mo : she has her bowl to show

From Tim Hatch Bastrop, TX : AWESOME... She did a Great Job Roger

16:31:21 From Scott Tague Wisconsin : Hi Lorelai

16:31:35 From Lorelai Brundage : Hello :)

16:31:41 From Leonard Davis in Athol, MA : Welcome Lorelai

16:33:27 From Tim Hatch Bastrop, TX : @Lorelai Brundage Very Great Job.. Excellent

16:33:34 From Donna Rhindress : Well done Lorelei!

16:33:57 From Scott Tague Wisconsin : Great job Lorelia

16:34:01 From Joaquin Juatai - Thomasville, NC : @Roger Wollam Kahoka Mo Have her send in a photo
for the newsletter!

16:34:03 From Leonard Davis in Athol, MA : Well done Lorelai

16:34:51 From Bill Lewis Venice Fla : Well done

16:36:33 From Billy B, Alamo City : Aaaahhhh

16:36:48 From Leonard Davis in Athol, MA : That was great

16:37:53 From Chris Neilan- Waterford, CT : Good evening everyone, just back from a week of camping in New Hampshire!
Reactions:

16:38:18 From Leonard Davis in Athol, MA : HI Chris, how have you been

16:38:22 From Tim Hatch Bastrop, TX : Good Evening @Chris Neilan- Waterford, CT

16:38:59 From Chris Neilan- Waterford, CT : been great, leaning into retirement
Reactions:

16:39:16 From Tim Hatch Bastrop, TX : Wish I was...LOL

16:39:18 From Leonard Davis in Athol, MA : Good for you

16:39:24 From Donna Rhindress : Beautiful work Bambi, great save into a show piece

16:39:53 From Tim Hatch Bastrop, TX : @Bambi Golombisky Very Cool Work

16:40:30 From Donna Rhindress : So creative!
Reactions:

16:43:03 From Leonard Davis in Athol, MA : Love it Bambi and Steve

16:43:35 From Roger Wollam Kahoka Mo : Steve us it as a base to raise up a bowl

16:43:45 From Donna Rhindress : They will love it Steve and yes someone will love that tiny bowl too

16:46:09 From Donna Rhindress : Cool weed pot !

16:47:23 From Billy B, Alamo City : I almost answered, "Of course it's her!"
Reactions:

16:48:31 From Bob Grinstead - Mansfield, Texas : left

16:48:57 From Victor Todd, Mills River, NC : I'm late to the party but I finally got here
Reactions:

16:49:07 From Leonard Davis in Athol, MA : Love them Both Donna
Reactions:

16:49:19 From Tim Hatch Bastrop, TX : Welcome aboard Victor

16:49:31 From Victor Todd, Mills River, NC : Thanks Tim

16:49:56 From Tim Hatch Bastrop, TX : Great Job @Donna Rhindress
Reactions:

16:51:21 From Donna Rhindress : Of course Jim takes it to the stratosphere!
Reactions:

16:51:28 From Leonard Davis in Athol, MA : Only Jim
Reactions:

16:52:23 From Donna Rhindress : Your work is amazing Jim

16:53:23 From Billy B, Alamo City : I didn't see 3 planes. I saw a square turning.
From Patrick Hoggard Chiskie, NC : Box plane!
Reactions:

16:54:36 From Leonard Davis in Athol, MA : Make them stackable

16:56:35 From Dane : 18-24" about 8-11" deep....with multiple string
outputs is what I make.

16:56:39 From Joaquin Juatai - Thomasville, NC : Not a contest! A challenge! Everyone wins!
From Billy B, Alamo City : Exactly!
Reactions:

16:57:28 From Joaquin Juatai - Thomasville, NC : Jim Duxbury's square tool handles qualify for the
square challenge!
Reactions:

17:04:16 From Donna Rhindress : Chuck came off too

17:04:18 From Joaquin Juatai - Thomasville, NC : Why did that chuck go flying?

17:04:51 From Victor Todd, Mills River, NC : I have a couple pieces for gallery, so, if not
after gallery, it can wait till next week
Reactions:

17:05:11 From Victor Todd, Mills River, NC : I mean after demo
Reactions:

17:05:33 From Joaquin Juatai - Thomasville, NC : Don't turn in reverse if you don't have and set the grub screw!!!!

17:05:33 From Donna Rhindress : I always turn those grip screws tight
Reactions:

17:07:39 From Tim Hatch Bastrop, TX : Someone Upstairs Like that Guy...For Sure...

17:11:03 From Donna Rhindress : Was on the tool rest when he touched the bowl?

17:13:42 From Randy Smith - PA : Dane; You camn moke forward frame by frame with the < & > keys.

From Dane : its IG
From Dane : not YT

17:18:33 From Billy B, Alamo City : lathe speed:
<https://www.simplewoodturningtools.com/blogs/news/what-speed-should-i-be-running-my-lathe>

17:20:30 From Joaquin Juatai - Thomasville, NC : That's exactly why I tell people to turn at the speed compatible with their experience and comfort, not what some YouTuber tells you. If it feels too scary, SLOW DOWN!!!!!!
Reactions:

17:20:32 From Norman : Will someone repost that RPM chart again.
Please..

From Dane : lathe speed:
<https://www.simplewoodturningtools.com/blogs/news/what-speed-should-i-be-running-my-lathe>

17:22:26 From Joaquin Juatai - Thomasville, NC : Wider diameter = higher torque at the outer edges!

17:22:40 From Tim Hatch Bastrop, TX : Exactly... Larger Bowl... Requires a Larger Tenon or Mortise...

17:25:08 From Leonard Davis in Athol, MA : @Dale Slaughter Horseheads, NY, How are you doing?

17:26:21 From Bob Grinstead - Mansfield, Texas : do we have a demo tonight

17:26:30 From Dane : yes

17:26:39 From Dale Slaughter Horseheads, NY : still in pain will see the surgeon this Friday

17:26:56 From Matt the Gobleteer : Another good discussion on lathe turning speeds:<https://turnawoodbowl.com/safe-wood-lathe-speed-calculation/>

17:27:15 From Leonard Davis in Athol, MA : Thoughts and prayers it goes well.

17:27:48 From Dane : @Billy B, Alamo City WILL also ask the questions L

17:27:50 From Tim Hatch Bastrop, TX : Praying everything goes well with your Surgery @Dale Slaughter Horseheads, NY

17:30:02 From Dale Slaughter Horseheads, NY : I will find out on Friday if and when I will have surgery

17:30:28 From Leonard Davis in Athol, MA : I hope it is not needed.

17:31:11 From Dale Slaughter Horseheads, NY : I just want to get back to a normal life I'm really bored not being able to do anything

From Dane : i know the feeling lol

From Billy B, Alamo City : I don't know that I'll ever be back to normal!

From Leonard Davis in Athol, MA : Just take one step at a time.

From Don's iPad : What is normal

From Billy B, Alamo City : Yeah, Len, I've lived with this pain so long,

that's about all I can do.

From Dane : the docs are unable to give me any prognosis better than 50/50 for fusion on my neck or lumbar.....so I get the nerves burned off every 3 months and cooled off with the epis every 4 months @Dale Slaughter Horseheads, NY. had one neck surgery already back in 2013.....

From Billy B, Alamo City : The new meds are helping a lot, but I have to get used to them before I try to turn anything.

From Dane : yup.

From Billy B, Alamo City : My back surgery was in late Dec 2018. Before that, I could barely walk. It helped tremendously, but I went too long without surgery and ended up with permanent damage to my sciatic nerve.

Reactions:

17:31:56 From Leonard Davis in Athol, MA : I am sure. I only had to do it for a month. I went stir crazy.

17:32:05 From Dane : 1500rpm

17:32:32 From Dale Slaughter Horseheads, NY : I am

17:33:48 From Dale Slaughter Horseheads, NY : only so many woodturning videos and so much tv you can watch in a day

17:33:52 From Victor Todd, Mills River, NC : I gotta bail. Catch y'all next week.

Reactions:

17:34:15 From Tim Hatch Bastrop, TX : Take Care

17:39:49 From Bob Grinstead - Mansfield, Texas : Hsim is like me. An aggressive turner.

From Billy B, Alamo City : me too

From Matt the Gobleteer : me three ...

Reactions:

17:40:55 From Patrick Hoggard Chiskie, NC : It's better if you slow down and enjoy the turn.

From Bob Grinstead - Mansfield, Texas :

From Billy B, Alamo City : I'm like, "Ok, let's get this done!" lol

Reactions:

17:42:05 From Tim Hatch Bastrop, TX : I like his shape he has going on here..

Reactions:

17:42:10 From Dane : 700rpm

From Patrick Hoggard Chiskie, NC : 689

From Dane : 691

17:42:25 From Dale Slaughter Horseheads, NY : I just want to get back to doing the every day things around the house and turning, along with being able to drive to Level Up

Reactions:

17:45:04 From band aid brenda : i hate using that kind of chuck

Reactions:

17:45:47 From Tim Hatch Bastrop, TX : Good reason to keep your center marks... so when putting in your chuck you have a registration mark of where center is.. Keeps you from having to return and true your piece.

17:47:23 From Matt the Gobleteer : Coping Saw

Reactions:

17:47:34 From Matt the Gobleteer : Very thin kerf ...

17:50:02 From Dane : 480

17:52:02 From Scott : Sorry I missed... why did he say he held the drill chick?

17:52:11 From Scott : Chuck

17:52:36 From Tim Hatch Bastrop, TX : That Depth gauge Hsim is using is easily made from a flat piece of wood drill bit that fits a piece of coat hanger and a strait section of that coat hanger...

17:52:46 From band aid brenda : so it dont fly at him if it comes loose

Reactions:

17:53:47 From Dane : how long before the pencil drops down?

From Leonard Davis in Athol, MA : I think it stays

From Leonard Davis in Athol, MA : I loose

17:55:35 From Dane : @all if you would like to invite us into your shop and show us how you turn a project, let us KNOW!

17:58:42 From joe gibson : dane, where is hsim from?

From Matt the Gobleteer : He lives in New Jersey. Originally from Israel.

From joe gibson : thanks dane. lol

17:59:38 From Dane : We still have many c...

18:00:49 From Matt the Gobleteer : Here's Cindy Drozda's tool page. It's the round
nose
scraper...https://www.cindydrozda.com/html/Tool_Info.html

18:01:17 From Dane : If you haven't regis...
Reactions:

18:02:01 From Tim Hatch Bastrop, TX : @Dane isn't Tres going to be there as and
Instructor? I believe you mentioned it on FB...

From Dane : yes HE IS. I talked about it at the beginning of
the program

From Tim Hatch Bastrop, TX : Sorry was out feeding the critters...LOL

From Dane : He's on the poster

From Tim Hatch Bastrop, TX : Roger I saw that... was just putting out a Plug
for the folks that showed up late..LOL

From Dane : @Tim Hatch Bastrop, TX right on! need all the
plugs we can get lol

18:02:07 From band aid brenda : do we know if Hsim is goin to be at level up?

From Dane : not registered as of yet

18:02:37 From Leonard Davis in Athol, MA : Looking good so far Hsim

18:06:05 From Dane : back when i had a tommy bar chuck, i would always
go the wrong way,,.....would piss me off much!

From band aid brenda : me too i hate thos chucks

From Billy B, Alamo City : That's all they made until the late 1990's

18:06:24 From Billy B, Alamo City : LOVE my Cindy Drozda toolrest light!

From Matt the Gobleteer : Works great! Super bright!

Reactions:

18:08:48 From Dane : i don't see the pencil anymore\

From Chris Henley : Pencils are the first thing lost in any project

From Tim Hatch Bastrop, TX : LOL that is why I have a magnet on mine

From Dane : @Tim Hatch Bastrop, TX exactly

18:09:33 From Tim Hatch Bastrop, TX : There they are

18:09:33 From Joaquin Juatai - Thomasville, NC : If you share it during gallery, you should send it
in for the newsletter! Email high-resolution

18:13:03 From Patrick Hoggard Chiskie, NC : Demoitis strikes again

From Dane : yup
From Dane : how ironic

18:13:43 From Tim Hatch Bastrop, TX : I use harbor freight Rare Earth Magnets and electrical tape... get a 10 pack for about 2.50 or so..LOL

From Dane : i remove magnets from old hard drives and speakers

18:15:28 From Patrick Hoggard Chiskie, NC : I bought 1/2" rare earth magnets from Amazon, those things will hurt you.

From Bob Grinstead - Mansfield, Texas : mine are 3/4" and yes they can hurt
From Dane : i bought a 100# magnet from ZON cause i could, lol.....it holds a couple pieces of 1800s barb wire and a torch striker lol

From Matt the Gobleteer : Magnets, different sizes....<https://www.amazon.com/dp/B0BZYQBFQ1>

Reactions:

18:15:49 From Dane : Giphy [ID:l3q2MPX1gTSK6gniE]

Reactions:

18:20:28 From Dane : see that excess sling off

From band aid brenda : yup

18:29:05 From Billy B, Alamo City : Now it's really gonna look Fabergé eggish!

Reactions:

18:31:16 From Dane : forming jig of sorts

Reactions:

18:35:32 From Tim Hatch Bastrop, TX : Interesting thought annealing the copper to make it more managable

From Dane : yup.....
From Tim Hatch Bastrop, TX : That tip will get added to my tool box... I like where this is going

18:36:50 From Chris Henley : Did he melt the end together?

From Billy B, Alamo City : no

18:39:21 From Dane : @joe The Enforcer gibson getting the sneezes out early tonight

From Scott's iPad : This is a very interesting embellishing technique. Thank you so much for demonstrating tonight

Reactions:

18:40:36 From Bob Grinstead - Mansfield, Texas : What type of glue is he using?

From Billy B, Alamo City : Starbond Black CA

From Bob Grinstead - Mansfield, Texas : Thick?

18:41:09 From Tim Hatch Bastrop, TX : Looks like the Starbond Black

18:41:28 From roger The angry woodturner : Looks like starboard black

18:41:33 From hwkin : Howard King, I got something to share

Reactions:

18:43:05 From Leonard Davis in Athol, MA : Log day, trying to stay awake. I will go bake and watch Hsim. Looking good.

Reactions:

18:44:51 From Billy B, Alamo City : 1200

From Dane : 1189

From Patrick Hoggard Chiskie, NC : Fastest lathe on the planet.

18:45:34 From band aid brenda : deffinatly want eye protection here

Reactions:

18:45:37 From Roger Wollam Kahoka Mo : 1210

18:46:03 From Billy B, Alamo City : Do I hear 1220?

18:46:35 From Chris Neilan- Waterford, CT : 1220

18:46:37 From joe The Enforcer gibson : 1219

18:46:48 From Billy B, Alamo City : Do I hear 1230?

18:46:54 From Tim Hatch Bastrop, TX : That's too bad... Great idea

Reactions:

18:47:00 From Dane : in at 1300

18:47:03 From Chris Neilan- Waterford, CT : You get a percentage Billy?

From Billy B, Alamo City : Of course! The house always gets 10%

18:47:51 From Tim Hatch Bastrop, TX : my luck I would put it back together with the twist going the wrong direction...LOL

From Dane : alternating

From Billy B, Alamo City : or both!

Reactions:

18:48:58 From Waukeene Vinson, Corpus Christi, TX : Got Something if there time

From Billy B, Alamo City : If not, you and Howard will be up first next week.
From Billy B, Alamo City : That means you both have to be in here early.
From Billy B, Alamo City : ROTFL!
From Dane : 100%

Reactions:

18:51:14 From Billy B, Alamo City : I think I may like this new med... I'm hilarious!

From Dane : lol
From Billy B, Alamo City : Ok, y'all might not, but like that lieutenant in
Good Morning Viet Nam, in my heart I know I'm
funny.
From joe The Enforcer gibson : maybe you should share. then we all would think
your funny. lmao
From Billy B, Alamo City : Sorry, it's a controlled substance
From joe The Enforcer gibson : best kind.
From Dane : ive got several hundred 200mgs lol

Reactions:

18:51:37 From Patrick Hoggard Chiskie, NC : Hope that piece don't come out and go through his
finger

From Billy B, Alamo City : Me too!
From Dane : indeed.....please no finger touch to see if its
smooth while its spinnin

18:52:29 From joe The Enforcer gibson : he can't use a hammer. there is no room left for
tools. lol

Reactions:

18:54:57 From band aid brenda : i love this copper detail

From Dane : indeed

Reactions:

18:58:25 From Dale Slaughter Horseheads, NY : Time for me to take my last pain killer of the
night an go to bed

From Dane : gn dale!
From Dane : get that rest so you heal up

Reactions:

19:00:59 From Billy B, Alamo City : I'm as confused as a termite in a yoyo. All this
time I thought he was turning a box!

From joe The Enforcer gibson : now that was funny.
From Dane : perplexing fo'so

From Tim Hatch Bastrop, TX : Two Part Vase.... Great Job for Sure
From Gary Hales : Billy it would make a great box , sorry you missed
the first 30 seconds where he explained it.

Reactions:

19:03:15 From Dane : sand them off individually, then turn the lathe on
and blend

19:03:37 From David J Edwards from Michigan : Good Night Everyone

From Dane : gn dave

Reactions:

19:03:57 From Matt the Gobleteer : Take it down to 1/8" !!

19:03:58 From Billy B, Alamo City : One last cut

From Dane : no such thing!

From Billy B, Alamo City : is too!

From Dane : is not!!

From Billy B, Alamo City : is for me every time I turn

From Billy B, Alamo City : last cut, that is

From Dane : we be in our head.....thats why!

From Billy B, Alamo City : at least I'm not in someone else's! That would be
scary!

From Billy B, Alamo City : Mine is scary enough!

From Billy B, Alamo City : Can't do that. Those are the naughty ones!

From Billy B, Alamo City : Or so I've heard

From Tim Hatch Bastrop, TX : Bing Videos

From Dane : dare i ask?

From Tim Hatch Bastrop, TX : in your head... In your head.. In your head

From Patrick Hoggard Chiskie, NC : What's with the BING VIDEOES?

From Tim Hatch Bastrop, TX : link to the song... in your head

From Tim Hatch Bastrop, TX : for Billy

From Billy B, Alamo City : Oooooohhhh, Zombie! That song definitely stays in
your head. Or it does mine.

From Dane : bless her sole.....saw them in concert in
Amsterdamm

From Bill Lewis Venice Fla : Great demo , thank you

Reactions:

19:05:00 From Tim Hatch Bastrop, TX : the one that destroys the project...

19:11:13 From Matt the Gobleteer : Good demo!

19:11:46 From Donna Rhindress : I missed the part where he attached the wire, did
he CA glue it?

From Tim Hatch Bastrop, TX : Yes @Donna Rhindress he used the Black medium
Thick CA

Reactions:

19:11:49 From Tim Hatch Bastrop, TX : Great Demo @Hsim Matza

19:11:51 From Don's iPad : Great demo and recovery

19:12:00 From band aid brenda : another first for us

19:12:26 From Gary Hales : Hey Matt this has been better than good, I would
say this has been a GREAT demo!
Reactions:

19:12:55 From Donna Rhindress : Cool demo, thank you Hsim

19:14:41 From Roger Wollam Kahoka Mo : good demo Haim

19:14:48 From Bambi Golombisky : Very cool. Never seen anything like that.

19:14:52 From Sandi's iPad (3) : Truly a great demo!!! Thank you.

19:15:23 From Stephen's iPad : Great Demonstration! Thank you!

19:17:08 From Charlie Bundy Grand Rapids, Mn. : been a long day good nite all

19:17:15 From Donna Rhindress : Thanks everyone, have a good night

19:18:07 From Chris Neilan- Waterford, CT : Great meeting, goodnight all
